

NINFA SAUVIGNON BLANC 2018 WHITE WINE

TERROIR

Vineyards are planted on mineral rich chalky-clay soils. The Mediterranean climate is influenced by the Atlantic Sea which provides a significant diurnal daily temperature range. South-facing slopes provide ideal exposure and drainage resulting in wines that are naturally balanced with concentrated flavors that age well over long periods.

GRAPES

100% Sauvignon Blanc, harvested by hand.

VINIFICATION

Fermented and stored in stainless steel vats at controlled temperatures.

BOTTLING

March of 2019

TASTING NOTES

Sauvignon Blanc contributes bright lemon-gooseberry aromas. Full in body and textured on the palate showing stone fruits and swathes of mint tea that carry into a long mineral laced finish.
